

**2.1.2: Percentage of seats filled against seats reserved for various categories (SC, ST, OBC, Divyangjan, etc. as per applicable reservation policy) during the last five years (Exclusive of supernumerary seats)**

Note:

As the NAAC software is not accepting the number of students more than the earmarked ones for the reserved category, the college had to enter the same numbers as those which are earmarked for reserved seats. However, the actual numbers of students admitted in different reserved categories are more than the earmarked. The reason for this is that the students from reserved category admitted on merit basis are admitted to open quota first and then in the respective reserved quota. However, while calculating the students under various reserved categories, all the students are considered. Hence, the total students admitted exceed the earmarked ones; which results in percentage going beyond 100%. Following is the actual data of the students admitted.

**2.1.2.1 Total number of actual students admitted from the reserved categories during last five years**

Year	2021-22	2020-21	2019-20	2018-19	2017-18
Number	1438	1254	1066	1046	1005

TOTAL = 5809

**2.1.2.2 Number of seats earmarked for reserved category as per GOI/State Govt. rule year wise during the last five years**

Year	2021-22	2020-21	2019-20	2018-19	2017-18
Number	1162	930	920	973	906

TOTAL = 4891

$$\text{Percentage} = \frac{5809}{4891} \times 100 = 1.187 \times 100 = 118.7\%$$
