

Feedback on Curriculum (2019-20)

National Assessment and Accreditation Council (NAAC) gives prime importance to feedback on curriculum by all stakeholders, which includes the students studying the course, students who have obtained the degree after studying the course i.e. alumni, teachers who teach the course and employers who recruit these students.

We at Shri Mathuradas Mohota College of Science, Nagpur are undertaking this activity of feedback collection, analysis and submitting its report to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. This is aimed at incorporating modifications, if any, as per the demands of the stakeholders which would ultimately help to cater to the needs of society, economy and environment; ultimately contributing to building the nation.
