RefNo- 02/refre/blood donation/appre/2020

To,
Hon'ble Principal,
Shri Mathuradas Mohota College of Science,
Nagpur.

Date- 14th June 2020

Dear Sir ,

As far as I can remember, my mother has always emphasized giving back to the community, regardless of the situation prevailing. It is in times like these, that her lessons come in handy. The blood donation camp was organised with so much vigour and determination. This was just to ensure we do our part to give back to society as much as we can.

Covid-19 has suddenly become our new reality and it is brought quite a bit of uncertainty. I didn't anticipate getting this kind of support. The constant support of your organisation led this camp to such a great success. I would personally like to extend our thanks and deepest gratitude to your organisation for the constant help and enthusiasm.

It has also given me confidence that in future we as a team would be able to take up more similar challenging project. By joining hands, we were able to have around 157 donors and I hope our donation finds its way to help people across Nagpur.

Once again, thank you.

Regards,

Ramkishan Ojha
