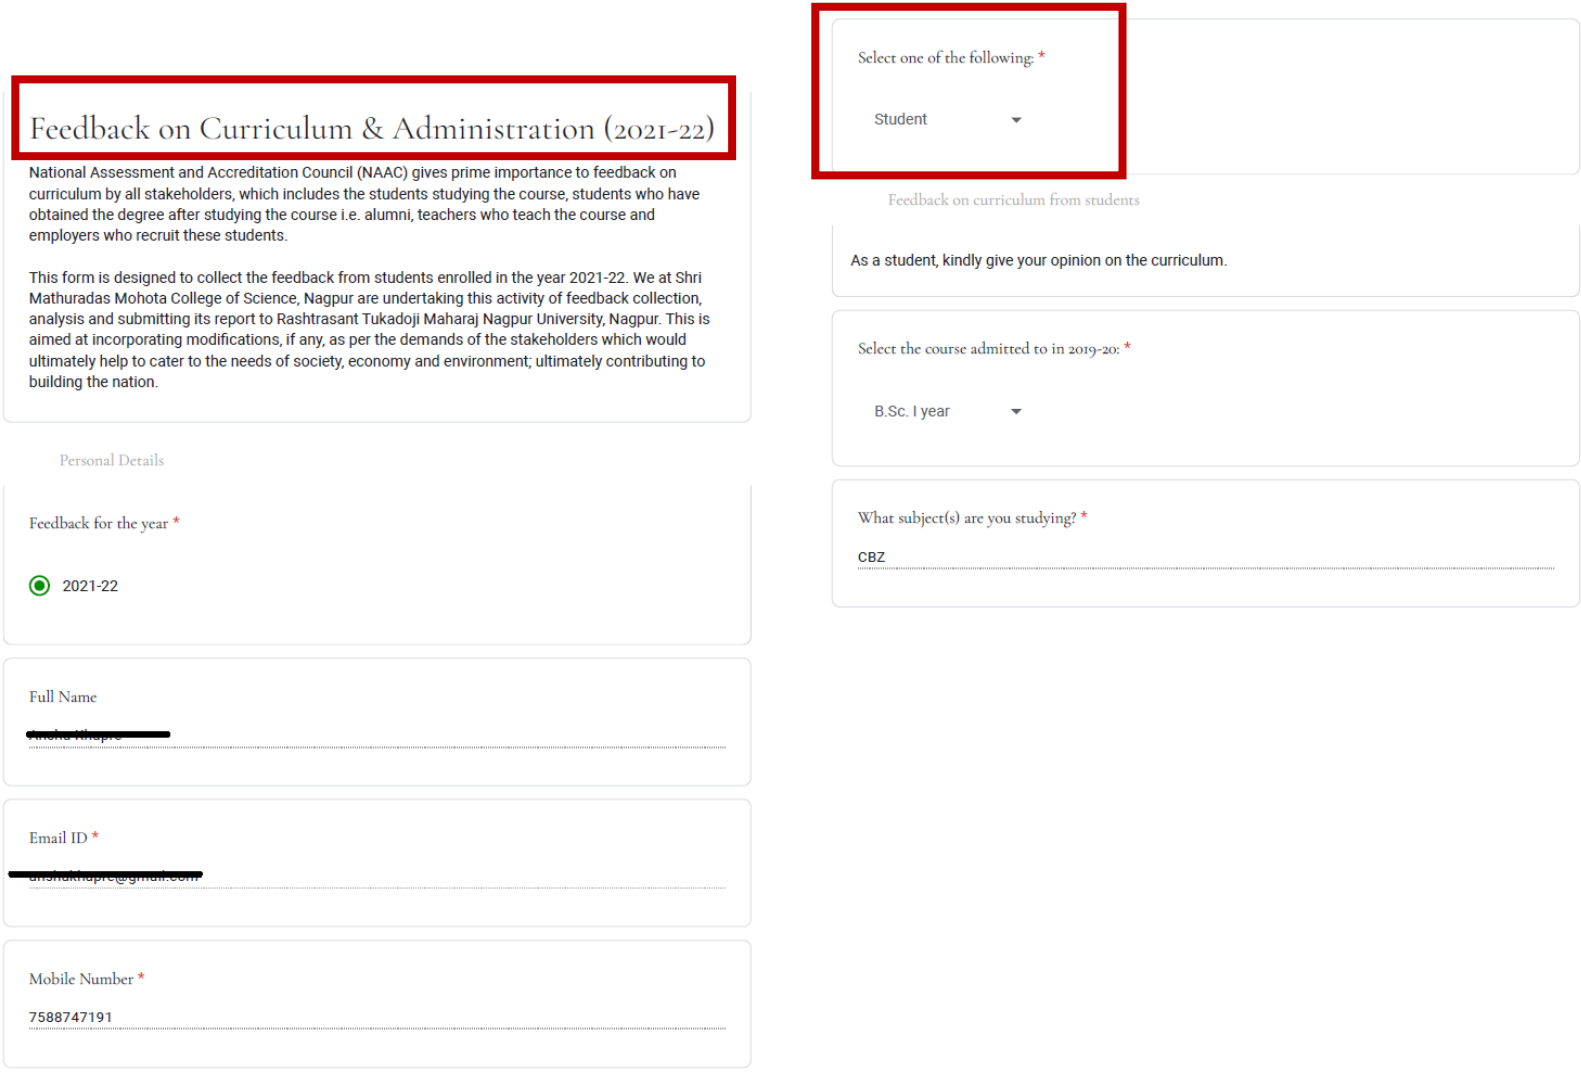
1.4.1: Sample filled feedback forms for 2021-22

- ***Feedback form on curriculum and administration submitted by student***



Feedback on Curriculum & Administration (2021-22)

National Assessment and Accreditation Council (NAAC) gives prime importance to feedback on curriculum by all stakeholders, which includes the students studying the course, students who have obtained the degree after studying the course i.e. alumni, teachers who teach the course and employers who recruit these students.

This form is designed to collect the feedback from students enrolled in the year 2021-22. We at Shri Mathuradas Mohota College of Science, Nagpur are undertaking this activity of feedback collection, analysis and submitting its report to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. This is aimed at incorporating modifications, if any, as per the demands of the stakeholders which would ultimately help to cater to the needs of society, economy and environment; ultimately contributing to building the nation.

Subject: Suggestions by stakeholders on curriculum

Respected Sir,

Season's greetings!

To cater to the demands of our stakeholders- students, alumni, teachers and parents, our college regularly asks for feedback on various aspects of higher education. We had asked for the feedback on curriculum from various stakeholders in 2021-22 and have received the following suggestions for B.Sc. and M.Sc. syllabus:

1. Students of UG have suggested to update the syllabus to make it more employable.
2. In some semesters the syllabus of Botany and Zoology at UG level is repetitive and overlapping, the students have suggested to check this repetition.
3. Students also suggested to include personality development, soft skill and ICT skills in syllabus.
4. Students of B.Sc. Computer Science have suggested incorporation of Artificial Intelligence in syllabus.
5. M.Sc. students have suggested to modify the syllabus on the basis of CSIR-NET syllabus.
6. For Botany UG syllabus it was suggested to include research-based pedagogy. Also, incorporation of skill-based experiments is required.
7. For Chemistry subject, it was suggested to update the syllabus based on industry requirement, so that the students can be employable.
8. For Zoology, it was suggested to include topics like histology and animal behaviour. Also, since animal dissections have been banned, the practical is just reduced to

writing records. The ethical committee can find some alternative to this so that the interest in the subject is retained.

9. For Computer Science, BCA and B.Sc. IT, it was suggested to update the syllabus as per IT demands.
10. For M.Sc. Botany students it was suggested to modify the syllabus so that semester 4 can be completely devoted to project work.
11. In PG Physics syllabus some topics on Astrophysics should be introduced.
12. Parents have suggested to modify the syllabus so that the recent knowledge is imparted.

We request you to kindly take into consideration these suggestions.

Thanking you.
