NOTE 1: While conducting any function/ guest lecture, please ensure that there is minimum disturbance/ suspension of regular classes. Preferably it should be on Saturday or after 3 PM. Any department function should be conducted with prior intimation to the principal and IQAC coordinator.

NOTE 2: Some more activities will be conducted as per the occasion in such a way that there is no loss of academics. These activities include:

- a. Workshop for support staff on computer literacy, b. Faculty Development Program for teachers, c. Workshop for support staff on office automation

NOTE 3: This is a tentative calendar. Some changes in the schedule will be done depending on the circumstances.

NOTE 4: A national or an international conference will be organized in online/ offline/ hybrid mode preferably in January second week.
